## Note from the Pastor:

Dear CPC Family,

*"Arise, shine, for your light has come, and the glory of the LORD has risen upon you. For behold, darkness shall cover the earth, and thick darkness the peoples; but the LORD will arise upon you, and his glory will be seen upon you." Isaiah 60:1-2*

These days present a defining moment to God's Church in these United States. We are challenged by pandemic, government overreach, police brutality, racism, rioting and an election year. God is in the midst of His saints as we see a world being tossed to and fro. We are called as followers of Jesus Christ to be able to humbly evaluate our own hearts and lives, being sure that we are repenting of every sin against our neighbor or a group of neighbors. We are called to be reflectors of the light of God's glory to a dark and dying world. Now, we must be able to clearly and wisely profess Jesus Christ as the only

hope for our towns, cities, and nations. We must be characterized as those who are willingly living towards those who are different than we are. Rather than pursuing our own comfort, we are to pursue God's glory through relationship bridge building.

Recently, we bought our girls flashlights to take with them up to camp at RidgeHaven. They needed them for the trails at night and for some games they are playing this week. When they got the lights home, they quickly inserted the batteries and shut off all the lights inside, closing all the doors and blinds. They wanted to get it as dark as possible to test their flashlights. The light shines brightest in the darkness. This is a simple concept that children understand. It pains me to see our nation in such upheaval. It hurts to watch such division perpetuated by our media and political parties alike. I'm sad that race relations are as ugly as they have

ever been in my lifetime. But, one thing I'm reminded of that even my children can see, the light shines brightest in the darkness. My community is not benefited by my opinions or unique political insight. Because I'm a Christian, my community is benefited by every way I can discern to reflect the glory of Jesus Christ - of who He is and what He's done in my life and in this world.

Take up the challenge with me, dear CPC family, to impact this community through our lives with our time, resources, vocation, business pursuits, social media, and all else about us with the timeless truth that Jesus is enough. He is better. This is a unique season. Let's focus together on focusing others on Him and not us. We are so thankful to be here among you. We are praying that our lights would shine together for His glory in all of Chapin and beyond.

For Jesus' sake, —Pastor Dinkins
