NOTE FROM THE PASTOR

Dear Saints,

Last month I wrote about our fiscal year end goals, particularly dealing with our Debt Reduction Campaign. Since then, you've given generously and we have already met our goal with still one month to go! I am so thankful for your generosity as God has moved us together to give so that our future giving can be more Kingdom centered. June marks the final month in our fiscal year which means that we are finishing up our budgeting process for the upcoming year. Please pray that we can do this well and present you with a clear budget as we move forward.

Finances are a necessary component of what we do, but ministry is so much more than that. Our elders just interviewed new communicants who will soon be introduced to the congregation. We just had a team return from Ecuador. Our children's ministry is

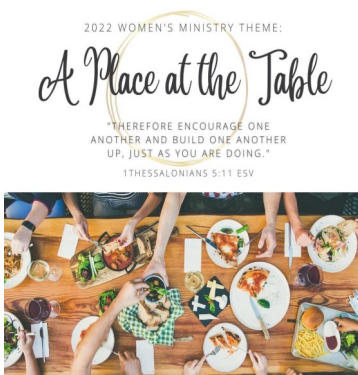

prepping for VBS and our students will be busy with activities this summer. Our men just had an excellent time of fellowship at the Bowers' home, and our ladies are providing various times of teaching and fellowship as well. We just had 63 adults in our joint Sunday school class!

Please pray with me for opportunities this summer to grow in our love for God and His word, as well as in our love for our neighbors. So many in Chapin need to be a part of what we enjoy together. Pray that we would have opportunity to include them in what God is doing for us and among us at CPC!

For His Glory,
Pastor Dinkins

News & Events:

THANK YOU NOTES FROM OUR CHURCH FAMILY

Our sincere thank you for the prayers, support, cards and visits to our family during the time of our Mom's recent illness and passing.

With Grateful Hearts,
Dennis and Susan Suber and Family

Thank you for the food, phone calls, texts, visits and cards received during my recovery from knee surgery. These acts of love/kindness made the first several weeks of recovery much easier. Your prayers for healing were felt and very much appreciated as well. John and I are so blessed to be a part of Chapin Pres and have each one of you as our church family.

John and Frances Derrick

There is a concept called declaring "Email Bankruptcy," where someone gets so behind on answering emails they just hit the delete button and start fresh. Well, we are declaring "Thank You Note" bankruptcy, in that we have too many people to write thank you notes for it is not even tenable at this point. From the bottom of our hearts, thanks to everyone who prayed, provided a meal, and helped in other tangible ways in the aftermath of our car accident. It was by far the scariest thing we have ever gone through. God saw it fit to spare Chase, Caroline, and I that night and for that we are thankful. We could not have made it through these last eight weeks without you! Thanks again!

In Christ, The Carmodys

ALL IN THE FAMILY

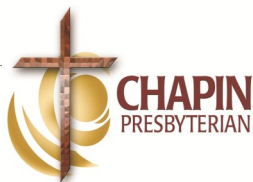

Hi Dears,

First thing, I want to thank Lauren Dunn for the many years that she has coordinated the **Dinners for Eight** program. She originated the program here and has worked diligently in helping our church family get to know each other better over good meals. Well, now it is time for her to retire and we need somebody to step up to take over coordinating this great program. Lauren will help you as you work to get it set up and running. Call Lauren or me. So many of you took dinner to the Barbers following her recent surgery and I know they were very grateful. I find it particularly special that often people are carrying meals to others they don't even know personally, but do know they are part of the Chapin Pres family. It is particularly dear when people who have been the recipients of meals then in turn take meals to others. The **Care Calendar** shares the needed information. The Lord's work indeed!

We still need **Parking Lot Greeters**! These special workers greet all whom they encounter but particularly are a help to our First Time Visitors. When someone pulls into the *First Time Visitor* parking space, the Parking Lot Greeters go right to them to welcome them and to take them to the **Door Greeters** who will take them to the **Reception Desk**. Going to a new church can be confusing and you all are a great help in making it less so! Thank you, each and every one.

If there is any way that you feel the Lord speaking to your heart to volunteer to work in any capacity at Chapin Pres, if you don't know who to call, call me and I will get the right person to get in touch with you. The Father put you here for a good reason and we want His work to be carried out through you...we will all be blessed!

Love, Helen
